## *Gallery Night A Success!*

The Classic Rock Challenge was a wonderful opportunity to showcase our members and their creative endeavors. If you were unable to participate this time you missed out on a good time. Let's do it again!

V.P. Chris Bowen, Pres. Kristina Weick, Sec. Rose Padgett, Diana Keenan, Brandon White, Karyn Spirson, Treas. Tamara Prudhomme. (Missing) Steve and Josiah Robinson

James Carter has graciously allowed us to hold our meeting in his Studio at 1216 N 12<sup>th</sup> AVE. We hope you can come and join the discussion regarding Festival Show's, Set-ups, How's, Why's, Display's, etc.

We are planning on a field trip next Monday night to the Playground Gem and Mineral Club in Ft. Walton. We will be discussing the logistics of getting there and back.

Sounds like a fun and informational meeting!
